“Recognizing the need is the primary condition for design.”

- Charles Eames

“Good design is obvious. Great design is transparent.”

- Joe Sparano

“Sometimes when you innovate, you make mistakes. It is best to admit them quickly, and get on with improving your other innovations.”

- Steve Jobs

# Reasons

Current wall lights in the market utilize annoying cords or require electrical experience.

Crafted of iron with an aged zinc finish, our exclusive sconce illuminates small areas with floor space. Featuring a pivoting head, this affordable lighting solution is ideal above nightstands, reading chairs or in any dark corner. Plus, it comes complete with a textile plug-in cord for easy use without electrical installation.
